

Murder in the First Degree!!!

Teddy didn't killed nor maimed
But he was murdered instead
Without proof in the first degree
By the evidence Meles only agree.

No prove of malice or premeditation
No planning or deliberation
Nothing presented aforesaid mention

By reverse murder in the first degree
By the regimes thugs and Woyane gee

The price he pay
For voicing for millions
For a little consideration
And reconciliation

It never ends so long as we kept silent
Fear zip gag and quite

But there is only one way
To get out of this dismay
That is one for all
And all for one.

For Tewedros Kassahun (Teddy Afro)

Knife Michael
